### **DETAILED ACTION**

1. Receipt is acknowledged of amendments filed on 9/12/2006.
2. Claims 1-6, 9-17, 19-37, and 39-40 are presented for examination.

### ***Allowable Subject Matter***

3. Claims 1-6, 9-17, 19-37, and 39-40 are allowed.
4. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach means of linking at least a portion of a reader system routing address with the guest identification to form a tag routing address. Furthermore, the prior art did teach means of determining a uniform resource locator for an asset lookup service based on the received identification data; and based on the determined address/uniform resource locator, sending at least a portion of the received identification data to the asset lookup service. These limitations in conjunction with other limitations in the claimed invention were not shown by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
